Programme budget for the biennium 1992-1993 [104]

The Committee resumed its consideration of this item and heard statements by the Chairman and the representatives of France, Australia, Nigeria and the United States, as well as by the Controller and the Deputy Controller.

The Committee decided, without a vote, to inform the General Assembly that the adoption of draft resolution A/C.2/47/L.91 (draft resolution II in document A/47/729) would require that the Assembly authorize the Secretary-General to enter into commitments in the additional amount of $200,000 to cover the requirements of UNITAR through June 1993. The actual additional appropriations required in that respect would be considered in the context of the final programme budget performance report for 1992-1993.

The representative of the United Kingdom spoke in explanation of position.

Statements on points of clarification were made by the representatives of Cameroon, Morocco, Mauritania and Nigeria, as well as by the Secretary of the Committee and the Controller.

Statements were made by the Chairman and by the representatives of France and the United States.

The Committee approved, without a vote, an additional appropriation in the amount of $150,000 under section 37 of the programme budget for the biennium 1992-1993, subject to the guidelines for the use of the contingency fund in accordance with the provisions of General Assembly resolution 42/211.

The Committee resumed its consideration of this item and heard statements by the Chairman and the representatives of the United States, India, Cameroon, Morocco, Algeria, France, Australia, Japan, Uruguay, Mexico and the United Kingdom, as well as by the Director of the Budget.
